Somers Democratic Club

For 31 years the Somers Democratic Club has been a significant and successful participant in the civic, social and political life of Somers. Our over 300 members represent every area of Somers. Our list of achievements, accomplished for the benefit of every town resident, is long. The Club has donated funds to support special projects for the children in our district, including the creation of the schoolyard habitat at SIS and equipment for the Media Dept. at SHS. We have supported the Somers Library, Somers Library Foundation, Somers Volunteer Fire Dept., Somers Women's Club, Somers Education Foundation, Destination Imagination teams, SHS Concession Stand, Somers Independence Day Fireworks Display, Somers Land Trust, American Cancer Society Relay for Life, Somers Booster Club, Somers Food Pantry, Lets Play It Forward and Lincoln Hall. We donated a bench in the Somers Unity Garden to memorialize the victims of Sept. 11th. We honor our veterans by placing a commemorative wreath at the Ivandell Cemetery on Memorial Day.

Every June the club holds an awards dinner where we recognize five outstanding Somers students for exceptional achievements. We also present a Democrat of the Year Award, Special Recognition Award, Chairman's Award and Community Appreciation Award to deserving local individuals and organizations that have enhanced the community by their service.

The SDC holds periodic non-partisan public issues forums. In 2012 we proudly sponsored an event featuring guest speaker **President Bill Clinton** and in 2014 we hosted a rally for Congressman Sean Patrick Maloney featuring guest speaker **Secretary Hillary Clinton**, held Constitutional Convention and Social Security and Medicare forums. We keep our members informed on the local, state and national political scene via our Somers Democratic News Flash, website and forums.

We are an activist organization concerned with the betterment of Somers for all of its citizens. To continue with our efforts we need your support. To become a volunteer on campaigns and other activities, or lend financial support, or both, please fill out the application on the back panel. Now more than ever, we must work together to preserve our Democratic values! Together we will make a difference.

Sincerely, *David Berman*, President
